

## Quick Planning Guide

**Step 1:** Meet with others and decide on the “package”, the date, and the time that your group would like.

**Step 2:** Call (480) 987-3100 to make reservations. Give us an approximate number of people expected to attend or email schfarm@earthlink.net (much faster if you email)

**Step 2:** Prepare an alphabetized list of guests that you can email to Carrie Schnepf. That is the list we use to check your guests in when you arrive.

Step

**Step 4:** Have each person pay for themselves as they arrive or you give us a list and we take care of the rest and charge their entrance and walk them to your private area.
